**Apprenticeship as IT Specialist, focus on system integration (m/f/d)
Aachen, Germany**

ABOUT US

OSTHUS is a leader in Scientific Informatics. Our customers are the top companies in the pharmaceutical, bioinformatics and life science industries. With sites in Europe, the US and Asia, we offer a modern, exciting and attractive working environment. Using state-of-the-art methods and technologies, we work on future-oriented projects in the areas of Big Data, Machine Learning and AI. Personal development, innovation and diversity are of great importance to us as well as to our customers and employees.

YOU WILL LEARN WITH US:

- Administration of server and client systems under Windows and Linux
- Installation and configuration of software
- Internal user support for our locations in Germany, USA and China
- Management and administration of user accounts under Active Directory
- Administration and maintenance of OSTHUS data networks
- Administration and maintenance of our system virtualization based on VMware

REQUIREMENTS

- A-levels or Abitur
- Strong communication skills, organizational skills and initiative
- Ability to work in a team and flexibility
- High affinity to computer science and interest in technical systems
- Ability to think logically and abstractly, high willingness to learn and to perform
- Enjoy solving unusual hardware and software problems
- Very good knowledge of English and German (spoken and written)

START OF APPRENTICESHIP: 01.08.2019

YOUR BENEFITS

- Diverse portfolio of tailored training and professional and personal development measures offered by our in-house Academy
- Joint breakfast on Friday
- Attractive salary extra: ticket plus card
- Positive working culture including regular social activities
- ...and much more!
